<p>Extension, testing of it</p> <ul style="list-style-type: none"> ❖ Making Hello World dynamic ❖ Learning how it works and adding a preview image 	<p>test it, Make Hello World dynamic, Add preview image</p>
<p>Security</p> <ul style="list-style-type: none"> ❖ The various security aspects of Qlik Sense ❖ Content security, security rules ❖ The various components of security rules ❖ Understanding data reductions and dynamic data reductions ❖ User access workflow 	<ul style="list-style-type: none"> ❖ Create security rules in Qlik Sense, understanding data reductions and dynamic data reductions, user access workflow

Project Work

Project 1

Objective: This project involves working with the Qlik Sense dashboard that displays the sales details whether order wise or year wise, customer wise sales, product wise sales and so on, doing comparative analysis, rolling 6 months analysis that should display the trend of sales, placing the worksheets in a user story and publishing.

Project 2

Domain: Data Analytics

Objective: To see the current values of salaries in one column and historical values in another cell in a chart that would contain a bar chart and a trend chart

Project 3

Domain: Healthcare

Objective: Visual Mapping between Vaccination rate and Measles outbreak

Intellipaate Job Assistance Program

Intellipaate is offering comprehensive job assistance to all the learners who have successfully completed the training. A learner will be considered to have successfully completed the training if he/she finishes all the exercises, case studies, projects and gets a minimum of 60% marks in the Intellipaate qualifying exam.

Intellipaate has exclusive tie-ups with over 80 MNCs for placement. All the resumes of eligible candidates will be forwarded to the Intellipaate job assistance partners. Once there is a relevant opening in any of the companies, you will get a call directly for the job interview from that particular company.

Frequently Asked Questions:

Q 1. What is the criterion for availing the Intellipaate job assistance program?

Ans. All Intellipaate learners who have successfully completed the training post April 2017 are directly eligible for the Intellipaate job assistance program.

Q 2. Which are the companies that I can get placed in?

Ans. We have exclusive tie-ups with MNCs like **Ericsson, Cisco, Cognizant, Sony, Mu Sigma, Saint-Gobain, Standard Chartered, TCS, Genpact, Hexaware**, and more. So you have the opportunity to get placed in these top global companies.

Q 3. Does Intellipaate help learners to crack the job interviews?

Ans. Intellipaate has an exclusive section which includes the top interview questions asked in top MNCs for most of the technologies and tools for which we provide training. Other than that our support and technical team can also help you in this regard.

Q 4. Do I need to have prior industry experience for getting an interview call?

Ans. There is no need to have any prior industry experience for getting an interview call. In fact, the successful completion of the Intellipaate certification training is equivalent to six months of industry experience. This is definitely an added advantage when you are attending an interview.

Q 5. What is the job location that I will get?

Ans. Intellipaate will try to get you a job in your same location provided such a vacancy exists in that location.

Q 6. Which is the domain that I will get placed in?

Ans. Depending on the Intellipaate certification training you have successfully completed, you will be placed in the same domain.

Q 7. Is there any fee for the Intellipaate placement assistance?

Ans. Intellipaate does not charge any fees as part of the placement assistance program.

Q 8. If I don't get a job in the first attempt, can I get another chance?

Ans. Definitely, yes. Your resume will be in our database and we will circulate it to our MNC partners until you get a job. So there is no upper limit to the number of job interviews you can attend.

Q 9. Does Intellipaate guarantee a job through its job assistance program?

Ans. Intellipaate does not guarantee any job through the job assistance program. However, we will definitely offer you full assistance by circulating your resume among our affiliate partners.

Q 10. What is the salary that I will be getting once I get the job?

Ans. Your salary will be directly commensurate with your abilities and the prevailing industry standards.

What makes us who we are?

"It's been a wonderful experience @intellipaate. They have an excellent resources and the training method is awesome. Good Work!!!"

-Harry Paul
